GANDHI SLAIN BY HINDU AT PRAYER MEETING

On All Counts By Trial Board

Fire Chief's Account Of Rotation System Called Convincing

By Newbold Noyes, Jr.

today was acquitted on all counts route to Bermuda. "demoralization" charges A dispatch from Bermuda said wreckage. against him. The decision of the British South American Airways trial board was unanimous. Board Chairman Austin F. Canfield, the wreckage.

"competent leader." ciency and the charge of unfitness

fered by a loss of morale." decision was loudly ap- 10 o'clock last night when it was plauded by an audience—mostly composed of firemen-which packed the trial board hearing room at the Municipal Center Building.

Chief Is Congratulated. Chief Murphy, who had listened of Parliament Vote impassively during the reading of the board's decision, smiled happily as he received the congratulations of his men when the hearing Note Withdrawa

The board, which is advisory to the Commissioners, declared Chief Murphy had given a "clear and convincing" explanation of his "rotation system" of personnel transfers. A charge that poor administration of this system had lowered the fire department's morale was described by the board as "the real issue be-

The rotation system charge was the last of nine specific accusations in the indictment of the fire chief. Two of the other specifications charged the chief with being intoxicated on duty. Five dealt with incidents in which he allegedly used rough language to his men. One accused him of misusing a rescue

squad ambulance.

Consultations Recommended. Having cleared the fire chief, that every one holding the 5,000the board proceeded in its opinion franc notes will be repaid. The anto recommend that he sit down with dissident members of his dewith dissident members of his de-partment and iron out differences not "an expropriation." "The board states emphatically that if the evidence had justified a finding that the respondent was intoxicated as charged it would have recommended his removal from office," the opinion said. "On the other hand, the board is convinced that the charge on this specification was not sustained, and we, therefore, find the defendant not guilty."

On each count the opinion presented a detailed review of the evidence and an explanation of the

Robust Language Tolerated. Mr. Canfield and his colleagues were outspoken in their judgment that Chief Murphy could not be condemned for having used roughsometimes profane—language to his subordinates on occasion, although Fire Department regulations forbid such language. Testifying in his own behalf during the trial, the fire chief had substantially admitted the (See MURPHY, Page A-3.)

Sunday Reading . . .

Organized labor's frozen attitude toward Congress shows signs of thawing for the first time since passage of the Taft-Hartley Act. The reason is a legislative move toward setting up a labor extension service, which might prove beneficial to 40,000,000 workers-just as the Agricultural Extension Service has aided farmers. George H. Hall, writing in Sunday's Editorial Section, explains why the unions have warmed up to

this new labor measure. A special article from the Memoirs of Cordell Hull also appears in the Editorial Sec-
